GK Promoters is a property development company specializing in residential properties (Flats and Individual House) . Our Company is based in Chennai, a place where construction methodologies meet global standards, which means that once you step into a GK Promoters' property, you can be sure that it will be Vasthu-compliant and a practical living space.

We offer affordable homes with excellent location, access and amenities adding value for your investment. Founded in 1995, We aim to make owning a dream home into a reality for everyone.

Amazing Portfolio
